Betts, however, is dating his co-star Brie Larson. And it doesn't seem like Baria Shami feels much like hanging out with Mookie's other lady. Betts and Larson have been dating since they were best friends on the set

of 'Room,' and now Baria has some thoughts on the relationship between the two. "There is no mention of Brie's fiance to me," she said. "I hear that they are spending time together but they live in different states so we have no idea what they really do together. I don't think that makes a difference to me as a couple." Betts and Larson have been married since 2014. Larson is also the sister of famous actress Emma Stone, who is also good friends with Baria. Like Larson, Baria grew up in a very different environment and in fact was raised as a Hindu.
