(19 Jun 2017, 11:43)BSNL has come out with a new plan, offering Rs 200 per month for each of its users who switch to its 'NetBargain' plan. On the face of it, this means that for a sum of Rs 3,600, which is less than Rs 35 per month, a customer can get 1,86,88,88,000 minutes and 1,86,88,88,000 SMSes. That's a lot of minutes and SMSes, for about Rs 3,600. BSNL hopes that this offer will encourage customers to switch to its 'NetBargain' plan, as it reduces rates. "We are glad to offer Rs 300 per month to new NetBargain subscribers. The rates are still lower than our rivals," BSNL Chairman and Managing Director Kailash Chandra said. Subscribers, who visit any of the 4,000 BSNL outlets with their ID cards in hand, can avail the benefit. A sample deal that BSNL has put up on its website says that the offer will end on April 28. "It's not a long-term offer. It's just until BSNL's annual sales target is attained," Chandra said. BSNL's NetBargain plan starts at Rs 155 a month with 1,500 minutes and 500 SMSes per month and goes up to Rs 795 a month with 5,000 minutes and 5,000 SMSes. BSNL has a target of Rs 7,000 crore in revenue and Rs 20,000 crore in profit for the fiscal year that ends in March 31, 2019, Chandra said. BSNL has come out with a new plan, offering Rs 200 per month for
