Contrary to dungeon crawling RPGs, Elite Dangerous is an open-ended space adventure game set several hundred years in the future. In addition to exploring the vastness of space, you can also work and trade with other spacefarers of all nations, experience the world and its culture, and compete with other players. The Elite Dangerous world is vast, with no end. The galaxy, in which the game takes place, is filled with a variety of stars. Along with a large solar system, you can freely select any location. As a private space explorer, you can choose how to travel. You can travel through space and time with your own ship. Or you can join an existing fleet or create your own and explore as a freelance explorer.

- **ABOUT ELITE DANGEROUS**
- **Explore a Vast World in Space** The Elite Dangerous world is vast, with no end. The planet, in which the game takes place, is filled with a variety of stars, making it one of the largest open worlds in the galaxy. It is hard to find a place that is too far. You can also explore the world in real-time.
- **A Lifelong Quest** An open-ended space adventure with an intriguing plotline. Completing the game and evolving into a new character rank according to your wishes.
- **Discover the World and Become a Real Space Explorer** By communicating with other players, you can discover and obtain information about the world. You can also select and travel to an unlimited number of locations within the world.
- **Fly Your Own Ship** Fly your own space ship or join an existing fleet.
- **Experience the World and its Culture** Meet other people and experience the world and its culture.
- **Interact with Other Players** Through the community, communicate with other players in real time. Travel to a variety of places together, which you could not access separately. In addition to the world, other players can also form a private fleet and travel together.
- **Develop Your Own Character** Create your own character. By customizing your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.

Enjoyment During the Introductory Period

Group-sizing Logistics

The system is subject to change, therefore we ask at least 16 players in advance.

Reservation Processing methods and processing start times vary depending on the time zone.

- **USA players: From the time you generate your reservation until you are finally confirmed for the event, please be patient. Reservation processing for Asia, Oceania, and Europe is expected to begin approximately one week before the event.**
- **Japan players: Due to the timing during which the Japanese immigration offices make applicants wait, we ask that you be certain to reserve a space in advance. If we are not able to confirm your reservation this way, we will not be able to accommodate your visa application.**
- **MX players: Please make sure to preregister as early as possible. On top of the live room not being able to confirm tickets as late as the day of the event, we also can not confirm tickets before the initial peak of our customer service. Therefore, we recommend that you preregister as early as possible. We will not be able to process an additional claim late-processed.**
