Download; about the Siemens OpenScape® Desktop Client.In 2013, we were told that just because Canadians with disabilities could not vote online, that didn't mean they couldn't play video games at home. (If you're concerned about the health of your electronics after just reading that, then there's nothing that I can say that will change your mind.) In 2014, we were told that adult protection from creepy cat gifs was not something a government could really protect us from, because… cats. (If this blog post is only a few hundred words, then that's actually a good thing. Here, though, it's a bit longer, and I'm writing about all those fake accounts I saw in my Reddit feed, and I feel like I need to draw a thicker line.) In 2016, we were told that every Canadian, everywhere in the world, could finally be free from worrying about unsolicited dick pics, because… everyone has the right to take dick pics. Now, in the midst of the Canadian election, Twitter users have started to notice something they haven't seen in a while: many Trudeau accounts are being followed by hundreds, if not thousands, of fake accounts. There are a lot of different reasons for this, but I'm going to be quick and throw out a couple right off the top of my head. One is that when you create a Twitter account, you can choose to follow anyone. This leads to the many fake accounts that are following Trudeau and the Liberals around like sheep. The other is that, as we e79caf774b
